(The following districts have not been completed but are now in the course of organization.)

Huntsville—Chairman, Mrs. Lizzie Johnson.

Wilson—To be appointed.

West Ogden—Chairman, Mary J. Lightfoot.

Hooper—To be appointed.

Former Ogden Soldier's Body on Way to U. S.

The body of Ed. J. Rice, former Ogden soldier, is en route to New York from Germany according to advices received in Ogden yesterday.

Mr. Rice, who was employed by Hemmway & Slinger, cigar company here at the time of his enlistment in the second engineers, in May, 1917, died in Germany a month to the day after the armistice.

Burial will be in New York, where his mother resides.

A brother, Charles H. Rice and a sister, Mrs. R. A. McCune, reside in Ogden.

Ogden Men Honored By Veterinarians

Dr. Frank Parker was re-elected president and Dr. E. A. Bundy secretary-treasurer of the Utah State Veterinary Medical association at the annual meeting in Salt Lake. They are both Ogden men.

Dr. W. H. Hendricks of Richmond was elected vice president.

IF KIDNEYS ACT BAD TAKE SALTS

Says Backache is sign you have been eating too much meat.

When you wake up with backache and dull misery in the kidney region it generally means you have been eating too much meat, says a well known authority. Meat means uric acid which overworks the kidneys in their effort to filter it from the blood and they become sort of paralyzed and loggy.

When your kidneys get sluggish and clog you must relieve them, like you relieve your bowels; removing all the body's urinous waste, else you have backache, sick headache, dizzy spells; your stomach sour, tongue is coated and when the weather is bad you have rheumatic twinges. The urine is cloudy, full of sediment, channels often get sore, water scalds and you are obliged to seek relief two or three times during the night.

Either consult a good, reliable physician at once or get from your pharmacist about four ounces of Jad Salts; take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine.

This famous salts is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to cleanse and stimulate sluggish kidneys, also to neutralize acids in the urine so it no longer irritates, thus ending bladder weakness.

Jad Salts is life-saver for regular meat eaters. It is inexpensive, cannot injure and makes a delightful, effervescent lithia-water drink.—Advertisement.

DROPS MATCH IN GASOLINE TO SEE IF IT WOULD BURN

Curiosity killed the cat, Ralph Goodenough was only burned.

Ralph is 13 years old. He is employed by Russell James.

Yesterday forenoon he was given a can of gasoline and told to clean lard pails.

He dropped a lighted match in the pail to see if the gasoline would burn. It would.

Dr. Margaret Burns dressed the burns on the lad's right arm and he went back to work.

BIG FASHION DISPLAY AT UTAH THEATRE

Hopwood-Pollock Drama Gives Picture of Woman's Life in the Smart Set

The coming of Metro's all-star production of "Clothes" to the Utah theatre today, marks the arrival of another big Broadway stage success on the screen.

"Clothes," the drama with which Avery Hopwood and Channing Pollock started their successful careers as dramatists in 1906 at the same time laid the foundation for the starring career of Grace George.

It tells the story of feminine vanity, extravagance and capriciousness, leading on to disaster in a cynical

view of life.

The story of "Clothes" is the story of a woman's life in the smart set.

LITTLEFIELD NOW BENEDICT

Commissioner Ward's Adjutant Weds Miss Mary Jones of Ogden

Without letting even his most intimate friends in, or even his boss, J. C. "Jack" Littlefield, adjutant to J.

Ward, commissioner of public safety, stole to Salt Lake yesterday and became a husband. He was wed to Mary Luke Jones of Ogden.

Daughter of Mrs. Sarah Whately Jones of the Browning apartments, according to the information ferreted out last night.

Even Mayor Frank Francis and Mr. Ward, who through daily contact with "Jack" had thought that he would take them into his confidence, but they were sadly disappointed. Last night Mayor Francis or Mr. Ward knew nothing of the marriage until they were told, at least this is what they said.

A search for Mr. Littlefield last night proved to be futile. He could not be located in Ogden and consequently his large number of friends could not shower congratulations.

Nothing is known as to his plans. Mr. Ward declared he had not applied for a vacation and had better be back on the job Monday morning at 8 o'clock.

More Rangers Needed By Forest Service

In order to fill vacancies in the ranger force of the Forest Service, the U. S. Civil Service Commission announces an open competitive examination for forest ranger on October 25.

In Idaho the examination will be held at Boise, Burley, Challis, Emmett, Hailey, McCall, Mackay, Montpelier, Pocatello, Salmon, St. Anthony and Weiser, in Nevada at Austin, Elko and Ely, in Utah at Cedar City, Ephraim, Kanab, Logan, Moab, Ogden, Provo, Richfield, Salt Lake City, Vernal and Wildrose and in Wyoming at Jackson, Kemmerer, and Plinedale.

Persons desiring to take the examination may secure application form 1312 from the Civil Service Commission, Washington, D. C., from the Forest Supervisor at any of the examination places above mentioned, or from the District Forester, Ogden. The Commission urges that applicants secure this form immediately.

The work of the forest ranger is largely out-of-doors, in mountainous forested regions, and the Forest Service is particularly anxious to secure men who like mountain work, are willing to endure hardship if necessary, and can take care of themselves and their saddle-horses in remote regions.

Applicants must be able-bodied, and are required to pass a medical examination; and must be between the ages of twenty-one and forty years.

Persons entitled to preference because of military or naval service are released from age requirements. Rangers must be capable of performing such manual labor as fighting forest fires, and building cabins, trails, and telephone lines. They must have at least a common school education, and know the rudiments of compass surveying, timber scaling and estimating, land laws, and the livestock industry. A good fund of common sense and some experience in kindred lines of work such as engineering or lumbering, will materially help applicants. Appointees receive the initial pay of \$1220 per year.

COLORADO SENATOR LEAVES DEMOCRATS FOR NATIONALISTS

DENVER, Colo., Oct. 9.—United States Senator Charles S. Thomas today filed with the secretary of state his acceptance of nomination for United States Senator on the so-called Nationalist ticket.

He was nominated last Saturday by petition containing the names of three hundred electors. Thomas, Democrat, did not enter the Democratic primaries last month. He has opposed the league of nations.

BEATS GASOLINE AT 15 CENTS A GALLON

New Invention Makes Ford Run 34 Miles on Gallon of Gasoline and Start Easy in Coldest Weather; Other Cars Show Proportionate Savings.

A new carburetor which cuts down gasoline consumption of any motor, including the Ford, and reduces gasoline bills from one-third to one-half is the proud achievement of the Air-Friction Carburetor Co., 733 Madison street, Dayton, Ohio. This remarkable invention not only increases the power of all motors from 30 per cent to 50 per cent, but enables every one to run slow on high gear. It also makes it easy to start a Ford or any other car in the coldest weather without previously warming the motor. With it you can use the very cheapest grade of gasoline or half gasoline and half kerosene and still get more power and more mileage than you now get from the highest test gasoline. Many Ford owners say they now get as high as 45 to 50 miles to a gallon of gasoline. So sure are the manufacturers of the immense saving their new carburetor will make that they offer to send it on 30 days' trial to every car owner. As it can be put on or taken off in a few minutes by anyone, all readers of this paper who want to try it should send their name, address and make of car to the manufacturers at once. They also want local agents, to whom they offer exceptionally large profits. Write them today.—Advertisement.

Former Ogden Man To Be Buried Here

The body of Charles J. Maguire, a former Ogden resident, who died at Butte, Mont., last Sunday, will arrive in Ogden early Tuesday morning. The funeral cortege will leave the Larkin chapel at 9 o'clock for the Mountain View cemetery. Commitment services will be conducted by the Rev. John Logan. The Elks' lodge of this city will attend and act as pallbearers.

Mr. Maguire was 32 years of age, the husband of Mrs. Ruth Maguire and son of Mrs. John Maguire. He died at his mother's home after a brief illness of pneumonia. The funeral was held from the late home Tuesday morning, with high mass at St. Patrick's church.

Mr. Maguire was born in Ogden and went to Butte about nine years ago, being identified with the Louis S. Cohn company since. Besides his wife and mother, he is survived by a brother, John C. Maguire, vice president of the Silver Bow National bank, and six sisters, Mrs. Con Smith of Boulder, Mont.; Mrs. Fred W. Burns of San Diego, Cal.; Mrs. R. C. Monahan and the Misses Alice, Nell and Grace Maguire of Butte.

RIGA, Oct. 9.—(By The Associated Press.)—The Lithuanians and Poles engaged in a heavy battle lasting all

ALHAMBRA

UTAH'S FINEST THEATRE

BIG NEW SHOW TONIGHT AT 5:00 P. M.

THOMAS H. INCE presents

DOUGLAS MACLEAN AND DORIS MAY

"Let's Be Fashionable"

A Paramount Artcraft Picture

Mr. and Mrs. Henry Langdon (born MacLean and May) desire your presence at a gladsome expose of their first formal invasion of Society.

They also desire to deny all gossip that "kindred soul" and "affinity" complications on that occasion may lead to divorce—yet.

They do confess to laughable "complications," but at ultra-fashionable country clubs and teas one must be nice even to forty matrons and gas millionaires. N'est-ce pas?

Mr. and Mrs. Langdon promise a joyous entertainment and refer, just for fun, to your happy memories of "23 1/2 Hours' Leave," "What's Your Husband Doing?" and "Mary's Ankle."

A THOMAS H. INCE PRODUCTION
